Hall of Fame Nominations

-Reminder -

the deadline has been extended to February 17th

This is how it works. All nominees – hounds and persons - must have been out of the sport for at least 5 years to be considered. Hound nominations are made through the ASFA clubs. Persons are nominated through the Regions. So, to nominate a hound, you will need to work through your club. To nominate a person, you will need to work with your Regional Director.

The Hall of Fame Committee will select up to 5 nominated hounds and 3 nominated persons to present for consideration at the 2024 ACoD. The ACoD Delegates will then vote to induct 1 person and up to 3 hounds into the Hall of Fame.

Direct all questions and all nominations to Michael Hussey at dinnree@skybeam.com. The ASFA Hall of Fame Committee nominations for the current year are now open and will be voted on at the 2024 Annual Convention of Delegates.

At this time, I have no new hound nominations for 2024 or person nominations. Nominations must be made on the official forms that are available (in both PDF and Word) on the ASFA website under RESULTS AND AWARDS/HALL OF FAME/NOMINATIONS.

The closing date for receipt of nominations is ~~January 31, 2024~~. **I will extend the closing date to February 17, 2024.** In the interest of time, please send the forms (preferably electronic) directly to Michael Hussey, see email address below.

Gary Forrester Achievement Award Request for Nominations

the deadline has been extended to February 17th

GARY FORRESTER AWARD NOMINATIONS

Nominations should be sent to Michael Hussey (email addresses below). Nominations must be received by ~~January 15, 2024~~, for consideration at the 2024 ASFA ACoD. **I will extend the deadline to February 17, 2024.** Please include a writeup detailing the nominee's ASFA lure coursing contributions, achievements, and a photo.

EVALUATING NOMINEES

The committee will give preference to people who have been active and involved with ASFA lure coursing for five years or more and who have made a long-lasting, significant, and positive impact on the sport and/or association. The committee will consider, but not be limited to, the following areas of involvement: a) lure field trial participation, b) judging, c) active leadership at the local level-clubs and trial activity, d) ASFA administration, e) promoting ASFA and the growth of the sport, f) improving the quality of trials, and g) exceptional performance or effort in any other area.

Ideally, the committee will name one recipient per year, but there may be good reasons for exceptions. It is possible there may be two or more equally deserving candidates or a team and naming one person might prove to be nearly impossible. Conversely, there may be a year when the committee cannot agree on any recipient. A person who is not currently a member of the board or an active key committee chair will be given strong preference. This award should not appear to be an "in house" honor.

SELECTION COMMITTEE PROCESS

An active Selection Committee of three people will make the choice rather autonomously. The committee members are chosen by the ASFA Board of Directors. Selection Committee members represent all areas of the country. The Selection Committee Chair is tasked with aggressively seeking nominations from the members of the ASFA board, from key ASFA committee chairs, and by request in the Communiqué.

The Selection Committee will review all nominees (maintaining a file of past nominees to be reviewed each year with the new nominations), make a choice, and then report the choice to both the winner and the ASFA Board no later than February 21, 2024. This will allow the recipient time to arrange to attend the ACoD, if they wish to do so. ASFA will offer to cover

the cost of convention registration fees (only) as a small incentive to encourage the recipient to attend. All members of the Selection Committee must agree on the winner. Written Information about the recipient, including their major accomplishments, will be supplied by the Selection Committee Chair to the ASFA webmaster and the presenter of the award at the ACoD.

Scott Hurlbert
ACoD Planning & Site Selection
Committee Chair

It is time to prepare for ASFA's Annual Convention of Delegates (ACoD). This year's ACoD will be held in Memphis, Tennessee on the weekend of March 23rd and 24th. Each ASFA club can send two voting delegates to the ACoD as well as non-voting observers.

Attending the ACoD will give you an opportunity to become involved in ASFA and to participate in managing the direction of ASFA. It is also a good time to learn about ASFA, exchange information, get together with old friends, and meet new friends.

ASFA is a grassroots organization made up of member clubs. The clubs have direct input on the direction of the organization. Through the ACoD you, as a club delegate or observer, will learn what is happening within ASFA lure coursing around the country. You will be able to present ideas, ask questions, and gain information during the meeting.

Important business at this year's ACoD will include the election of the executive members (officers) of the ASFA Board of Directors.

Also, the ACoD is where changes to ASFA's constitution, rules, and policies are considered, discussed, and voted up or down by the delegates. The delegates will also discuss and vote on new business that is brought before them. Matters that come before the ACoD are brought by individuals through their clubs, either directly, or through their regions and/or the ASFA Board. And some matters that could not be completely resolved at a previous ACoD are brought back for further consideration and resolution.

For the agenda, hotel, registration and dinner information, and to register for the ACoD, click on <https://www.asfa.org/acod/2024/index.html> or go to the ASFA website home page and click on Special Events, and drop down to 2024 ACoD.

For those planning to attend, please note the following:

ACoD Registration

The ACoD registration fee is \$95.00 on or before March 4th. After March 4th, the fee goes up to \$145.00, so please register early. You can register directly on the ASFA website at <https://www.asfa.org/acod/2024/registration.html>

Host Hotel Registration and Airport Shuttle

The host hotel is the Holiday Inn and Suites in Germantown (Southeast Memphis). Our special room rate is \$104.00 per night (a savings of about \$35.00 off the regular nightly room rate).

Use this link to get our special room rate:

[Suites Hotels in Collierville, TN | Holiday Inn & Suites Memphis Southeast-Germantown \(ihg.com\)](#). Or you can call the hotel directly at (901)730-0015. Let them know that you are with the American Sighthound Field Association to get the discounted room rate.

The hotel is about 20 minutes from Memphis International Airport. If you are arriving by plane, there is a shuttle from Memphis International Airport to the hotel.

Scheduling

We typically have a social gathering on Friday and Saturday evenings. I estimate that ACoD business will be complete on Sunday at or about noon. So, plan your flights accordingly.

We will have an off-site dinner on Saturday. Please indicate if you are interested in participating when you register for the ACoD so we can arrange accommodations.

Officer Election

The ASFA Board of Directors Officers election will take place on Saturday. The nominees are listed here and on the ASFA website. The nominees are:

- President – Phil Fullam
- First Vice President – Cathy Sanderson
- Second Vice President – Greg Breitbach
- Corresponding Secretary – Kathy Sanders
- Recording Secretary – Jennifer Gysler
- Chief Financial Officer – Ping Pirrung

Individuals can also be nominated from the floor at the ACoD. So, direct your delegates accordingly.

Delegate Packets

Delegate packets will be sent out to all delegates. The packets will include the agenda, reports, and all vital convention information.

Please join us for this this year's ACoD and participate in directing ASFA's future.

ASFA has a Zoom account that is available for clubs and board members to use.

- Only one meeting can take place at a time.
- This is a paid account so there are no time limits.
- Meetings can be recorded.

There are 2 ways to set up your meeting.

1. I can set this up for you. Email me with a date and time. I will send you the meeting location info to distribute to your attendees.
2. I can give you the login credentials. A time for this has to be arranged because Zoom will detect a new login and I will have to have my phone handy to send you a verification code. This only happens the first time and then you are free to access Zoom when you want.

ASFA Board of Director OFFICER CANDIDATES

The officer nominee profiles were first published in our previous issue of November 2023 .

Phil Fullam Candidate for President

Being president of the ASFA has been an honor. Before being elected president in 2022, I served on the board as First Vice President and CFO. I earned my all breed coursing judging license in 1982.

As you may be able to guess, the demands of my full-time position have limited the time I have been able to devote to the ASFA.

At the end of 2017 I retired from my full-time job as a design engineer. For close to 2 years, I enjoyed traveling, judging, and showing my dogs.

In mid-2019 my ex-employer contacted me about coming back to run the company. After several discussions I agreed to return as an interim general manager while a search was conducted for a permanent company president. Covid hit full force in early 2020, and it was a full scramble to keep the company in operation. The consequence was that my 1 year gig turned into a permanent position. Finally, in Aug of 2023 I submitted my notice to retire as of January 1, 2024.

Leading a volunteer organization is a challenge. In the ASFA's case it is complicated by the structure of our constitution and Running Rules. After 50 years the accumulation of rules and policies makes change complicated and slow, as each new idea must be weighed against what can and cannot be done.

There is a benefit in this structure, as changes require careful consideration, limiting potential catastrophic consequences. On the other side is the problem that this structure makes it difficult to adapt to changing times and circumstances.

The ASFA organization is a committee-based system, with the board overseeing progress. Two years ago, when I first became president I did not recognize the effort needed to get all our committees populated. This resulted in a slow start, but we eventually caught up.

I feel strongly that if re-elected I will be able to devote significantly more time and effort to continuing the progress the ASFA has made. – Phil Fullam

Cathy Sanderson Candidate for First Vice President

I am honored to be nominated for the position of First Vice President of the ASFA Board. I currently serve as the Second Vice President, and I am thrilled to consider stepping into the role of First Vice President.

My journey with sighthounds began at a young age. I have shared my life with these remarkable dogs since the age of seventeen, starting with a Borzoi. In 1989 I welcomed my first Whippet into my home and became firmly established in the sighthound community.

My active participation in ASFA events began in the early 1990s and has spanned decades. My love for sighthounds is at the core of my involvement with ASFA. My passion for sighthounds, their welfare, and the promotion of the sport of lure coursing is resolute. Over the years, my involvement with ASFA has grown significantly.

I bring exceptional organizational and critical thinking skills to the ASFA Board. I have always been drawn to tasks that involve problem-solving and organizational finesse. Right out of university, I organized volunteers for a two-year project focused on reintroducing Peregrine Falcons to the Niagara region. This remarkable undertaking demanded planning, coordination, and problem-solving, and it left me well-prepared to tackle the challenges and complexities that often arise in the sighthound world.

In my current professional life, I am part of a team that annually produces large trade shows for the mining industry. I have acquired extensive knowledge of computer technology along the way, primarily out of the need to achieve goals. I have also honed the ability to adapt and learn new skills as needed. I have become adept at streamlining processes and guiding teams toward efficient solutions. I have also learned the value of working behind the scenes to ensure that things run smoothly and effectively. I am eager to contribute my expertise to the ASFA Board.

I am committed to the continued growth and success of ASFA, and to upholding the standards of the sport. If elected, I look forward to serving the ASFA community as your First Vice President. -- Cathy Sanderson

Greg Breitbach Candidate for Second Vice President

I originally became involved with ASFA in 1976 with my first Afghan Hound, Holly. Since then, I have had several Afghans, Greyhounds and Pharaoh Hounds that I have been lucky to course. I currently have two Greyhounds and one Pharaoh Hound.

I entered the ASFA board as Regional Director for Region 6. I became an officer in 2018 when I was elected Second Vice President (2nd VP). During that term, I was appointed First Vice President (1st VP) when an officer became ill and withdrew from the board. Later, I was elected 1st VP twice. I am term-limited from serving as 1st VP again, and I am running for 2nd VP. I will be very happy to serve the board as 2nd VP.

During my time as an officer of the board, I developed and promoted the Lure Chasing Instinct (LCI) program for non-sighthounds and sighthound mixes. I pushed for the reduction of paperwork, a change that now simplifies and streamlines the reporting requirements for field trial secretaries. Most recently, I helped develop the experimental Bracket Challenge Coursing (BCC) program that will be rolled out on the field during the 2024 lure coursing season.

I also chair the Judges Licensing Committee and the Judges Committee. Along the way, I co-chaired the 2022 International Invitational (II), chaired the Field Trial Improvement, and served on Long Range Planning Committees.

Over the years, I have learned and performed every function needed to put on a field trial. At trials, I always listen to exhibitors who come to me with questions and suggestions for the ASFA organization. I then try to formulate proposals to be placed before the board so that concerns from our members can be heard.

- Gregory Breitbach

Ping Pirrung Candidate for Chief Financial Officer

I am truly honored to have been asked to run for the position of CFO on the ASFA Board.

Before I retired, I was a Financial Planner and held several financial designations. I am currently the CFO of "Who Cooks for You Farm" which is owned by my daughter and son-in-law. I have always enjoyed making figures work for you. It's important to budget and at the same time stick to that budget as best as you can.

I have been involved with lure coursing since I first learned of it in around 1975. This sport is dear to my heart for so many reasons. I meet amazing people and dogs, and at the same time I spend a weekend outdoors enjoying the company of like-minded people and their hounds. There really is nothing like seeing your dogs do something they really enjoy.

One could easily say that my life has gone to the dogs or has always been there. At no time during my life have I been without a dog of some sort. My family always had at least two dogs and at times, we even got up to my Dad's imposed limit of 4. Even in college, my dog accompanied me to every class as well as up on stage to accept my diploma.

Borzoi was my first sighthound breed. My husband, at the time, and I showed and bred Borzoi. Lure coursing was a natural fit, as my favorite place to be is outside and active. Their athleticism, along with the pure joy of watching the dogs do what they were bred to do, is an indescribable thrill.

We had two daughters who went with us to almost all field trials. My second daughter was practically born on a coursing field. At times I even ventured off coursing on my own. There are some that remember me slipping dogs with a baby in a backpack and a camera in my other hand. After the girls were old enough to be on their own during a trial, I became a judge. This has afforded me the opportunity to see dogs lure course all over the county and at the same time to experience some amazing runs. I am looking forward to bringing my grandsons to field trials in the near future.

Whippets came into my life when my daughters were young and since the late 1980's I have had only Whippets. I am now remarried to Dennis McCann who enjoys our growing family at Labyrinth Whippets. Occasionally, we have a litter of puppies, which is the ultimate joy of owning dogs. At this point we have 6 Whippets living at our house. We enjoy every minute of it. During the spring and fall almost every weekend is taken up with lure coursing or open field coursing. During the week I spend a lot of time with the dogs either biking, walking or working on their skills.

I have been the Field Trial Secretary for several International Invitationals, the first being in the early 1980s. At most field trials I love to help out in whatever way I can; I would rather do something than sit around waiting for our dogs' turn to run.

I am a founding member of Tri-State Sighthound Club in Western Pennsylvania and have been president of the club for several years.

I have held a number of ASFA officer positions. I was elected as Corresponding Secretary in 2008 and reelected in 2010. This was a joy as it put me in touch with so many of the fancy all over the country. I was elected President in 2012 and reelected in 2014, Subsequently, I was elected as Recording Secretary. In 2022 I was appointed as Corresponding Secretary when the then current CS resigned. I still chair and serve on several ASFA committees. I have embraced the challenges and enjoyed the work of maintaining ASFA as the premier lure coursing organization. – Ping Pirrung

Jennifer Gysler Candidate for Recording Secretary

I am honored to be nominated as recording secretary once again. During these past two years as recording secretary, I have learned a great deal from ASFA's officers, Regional Directors, Committee Chairs, and members. I am amazed by how hard these volunteers work on behalf of ASFA and the fancy, and by all the knowledge and experience they have and share. I look forward to continuing to work with all of you in the coming years.

Prior to becoming recording secretary, I was the RD for Region 10. I very much enjoyed helping clubs become approved to run ASFA events and introducing local exhibitors to the benefits of running in ASFA events.

As an ASFA judge and a trial secretary, I thoroughly enjoy every trial in which I participate. I have Rhodesian Ridgebacks and Borzoi and have enjoyed coursing them over the past many years. I have made many great friends thanks to lure coursing.

I will continue to work hard and learn, to continue to build ASFA locally and nationally, and to improve ASFA both in the short term and the long term. See you out on the field! - Jennifer Gysler

Kathy Sanders Candidate for Corresponding Secretary

My first purebred dog was a Basenji named "Searsha". She was born on Christmas Day in 2008. I learned about lure coursing in late 2009 when Searsha was not yet one year old. Early 2010 I went to my first trial and watching her react to the lure. It was amazing.

I co-chaired the 2023 II. I was the Regional Director for Region 8 from 2019 to 2022. I am currently the President of Upper Chesapeake Bay Saluki Club (UCBSC) and a member of the Board of Directors of the Tortoise & Hare Lure Coursers (THLC). I am an ALL Breed lure coursing judge in ASFA and AKC, and I've served at trials as Field Trial Chair, Field Trial Secretary, Field Clerk, Paddock Master, Huntmaster, and Lure Operator.

My vision for ASFA is to help create a more inclusive and thriving community for all involved. I believe that we can achieve this by focusing on fostering the spirit of collaboration, being transparent and by promoting a welcoming sense of community. The best way we can all get there is to get involved, even in the smallest fashion. Share your ideas and actively participate in your local clubs. Most importantly just get involved.

Message from President Phil Fullam

The change in the Scheduling Chair fortunately did not have any serious consequences for ASFA as Scott Hurlbert has taken over the responsibilities on a short term basis. A committee was established to search for a long term replacement and by the time the Communiqué is published will have made a recommendation to the Board.

At the virtual Board of Directors meeting in December, Las Vegas was selected as the potential location for the 2025 ACoD. The environment for holding conventions has become much more complex over the past several years. With the increase in costs for travel and lodging it is becoming a hardship for many clubs. The value of an in-person convention is great for renewing acquaintances and developing new relationships. The informal discussions help us to better understand each other.

It has been suggested that a hybrid format be developed, one in which an in-person venue is the primary, but member clubs could also participate virtually. A concern has been that this would reduce the number of delegates who would attend the in-person event and could create financial liability for the ASFA. I would argue that increasing involvement of member clubs is very important. Having more discussion and a broader representation can only improve the ASFA.

On a personal note, I have stepped down from my full-time position as President of Reytek Equipment LLC as of January 7, 2024. My role now is to mentor and assist my replacement over the next few months. I am looking forward to not going into the office every day.

Hope to see everyone in Memphis in March.

This issue includes the 2023 Top 20, which has given rise to ads celebrating the accomplishments of many top dogs. The ads can be viewed through out the issue. Don't miss Scott Hurlbert's report on the upcoming ACoD if you plan to attend. We have included updated information on the Hall of Fame and Gary Forrester Achievement Award nominations. Time remains to make nominations if you act quickly. Greg Breitbach and Dean Wright discuss excusal, dismissal and disqualification in the Q&A section. A Directory of ads and an acknowledgement of the many people who have contributed to this issue are included on page 47.

Communiqué *corrections*

Two errors were brought to our attention from the 2023 International Invitational coverage in our last issue (2023 . ISSUE 4 . NOVEMBER). First, on page 32 we inverted the names of the owners of the two Greyhound BII competitors. Second, on page 35 we published incorrect names of the winners in the Saturday Rhodesian Ridgeback Breeder Stake. We've corrected these errors. The corrections are found on pages 63 and 64 of this issue.

In 2023 he earned his LCM, was in the top 5 Afghan Hounds in both LGRA and NOTRA, and just recently he become a Daddy. He is looking forward to more fun times in 2024. #1 Singles Stake ASFA 2023

In 2023, I defeated 110 dogs to become #1 in Singles. In 2022, I only ran for 3 months, but still made it to #3 Singles (thanks to Dara Johnson, who started me out while my mom was dealing with cancer). In 2023, I certified to run with other dogs in breed and won Best of Breed twice. My kennel mate Mora is happy about that. I will lure course from time to time in 2024, but at the moment, we are going out showing. I will have titles at both ends of my name. -- Voomi

I Just started running in Singles Stake in July and am happy to say that I finished in the number two spot behind my kennel mate Voomi. I would like to be number one for a change of pace. I think I have a good chance because my mother "Jasmine" (DC Aeolus Life of Luxury LCM SC) is a #1 lure coursing Saluki. At the moment, we are out showing. We hope to earn titles at both ends of our names. Thank Goodness that Voomi is out showing too. Maybe next year will be different. -- Mora

2023 Report of the **Chief

Officer**
Scott Hurlbert

ASFA has had a decent year in 2023. We have had increases in the number of hounds that entered our trials, including new hounds. But they are not entering as many trials as previously. We have plateaued or even dipped in total trial entries. We continue to look at the causes. It is safe to say there is not just one cause.

There are a number of activities for our hounds to participate in and the cost of event locations has gone up across the country. I would challenge the clubs to try to host one more weekend of lure coursing a year and to work to do events in conjunction with other dog club activities.

With all that said, ASFA has had a minor dip to our checking account compared to last year. This is expected since 2023 was the first year we had an in-person ACoD since 2019.

While the final financial results of the International Invitational have not been compiled, there was a hit to our budget for the board hosting the event. I look forward to attending the II in Iowa on October 5-6, 2024.

I expect to draw up a similarly tight budget for 2024 to present at the ACoD in Memphis.

I have enjoyed being the CFO for the past couple of years and look forward to serving the fancy as best I can in the years ahead.

Tepid

2023 ASFA #1 Greyhound

FCh JJ's Highly Tepid FCh

Owned by Gregory & Karen Breitbach

We adopted Tepid through 4GreyhoundRacers in 2020. She came with the name "Highly Tepid". Despite her name, her performance on the field is anything but *tepid*. Over the past three years, she has won multiple Best in Fields, multiple Best in Events, and has finished each year among the top 3 in her breed in both AKC and ASFA lure coursing.

Thank You - to all the judges who have recognized Tepid's talents, to the lure operators who have kept her safe, and to the other exhibitors who appreciate and love to watch Tepid run. She puts it all out in the field each time she competes, but at home she is a couch potato who likes hunting rabbits and squirrels.

Q & A

Excusal, Dismissal & Disqualification

Question What are the differences between excusal, dismissal, and disqualification?

Answer Our two Answers are from Greg Breitbach and Dean Wright.

A

Greg Breitbach *Greg has decades of experience on the field as a handler, huntmaster, lure operator, and judge. He is also the ASFA First Vice President (VP1), Judges Committee Chair, and Judges Licensing Committee Chair.*

Excusal, Dismissal and Disqualification are three types of discipline described in the ASFA Running Rules. To start the discussion, I have pulled from the rule book the associated chapter/section for each reason. The rules are as follows:

Excusals:

Chapter II, Section 2, paragraph 9: [The Field Trial Chairman may,] . . . at his discretion, excuse from the field for the day, any hound that exhibits uncontrolled aggressive behavior toward any person or hound on the trial grounds, except hounds competing in the course then in progress. The Field Trial Chairman may also excuse or levy a fine and collect a . . . penalty fee . . . [for] any hound that is loose on the field and not in competition at the time.

Chapter III, Section 12: A zero total score from both judges, or a judge when only one is used, in the preliminary course automatically excuses a hound for the day. Hounds excused for any reason in the preliminary course will not be permitted to run in the final course and will not be counted as having been in competition when computing the points. Hounds scored in the preliminary run but excused in the final run shall be counted when computing points.

Chapter III, Section 15: In the event that a hound running loose joins a course in progress and interferes with or instigates a fight with another hound properly entered in that course, the judge or judges currently judging the course in progress may excuse the offending hound from the field for the day. (Such judges need not be scheduled to judge the breed to which the offending hound belongs.)

Chapter III, Section 13: Hounds may be excused from the field by a judge for the following reasons:

- Hounds who fail to run after the tally-ho in either the preliminary or final course.
- Hounds who may be considered unfit to compete.
- Hounds who course other hounds rather than the lure.
- Hounds whose owners or duly authorized agents interfere with the judges or officials.
- Hounds who delay the course.
- Handlers who willfully interfere with another competitor, his hound, or any official.

Dismissal:

Chapter VIII, Section 1. Hounds shall be dismissed from the field by a judge, for the day, for interfering (aggressively or playfully) with the course of another hound. (Growling and/or barking, in and of itself, does not constitute grounds for dismissal.)

Disqualification:

Chapter VIII, Section 2. Hounds shall be disqualified by the judge, or by agreement of both judges where two are used, for the following reason: fighting - the aggressor in fighting in the field. In the event that only one of two judges disqualifies a hound, this disqualification constitutes a dismissal. Hounds disqualified by any other lure coursing organization shall be considered disqualified by the ASFA.

EXCUSAL As you can see, several chapters and sections are used to define what constitutes an excusal.

Excusal is the lowest form of discipline. Throughout the rulebook, multiple reasons are provided for excusal. The result of an excusal is that the hound cannot compete for the remainder of the day. The hound may return the next day, and nothing goes on the hound's official record. The item which needs to be further explained is "course other hounds" as this can be confused with potential interference.

Coursing another hound is generally defined as following another hound turn for turn and never attempting to pass that hound. No contact is made by the hound, but either that hound is concerned about the other hound or not confident enough to take the lead. This happens with new dogs who have not been practiced enough or have been interfered with in a prior course by the other hound. Generally running more practices and running with a hound that it knows will provide the confidence needed to overcome this situation.

During certifications, judges watch closely for this. That is why it is important when selecting a hound to certify with, that the owner of the certifying hound does not choose the fastest or most experienced hound to run with. Lure operation, especially at turns, can assist the judges in determining whether a hound is coursing another hound and is just being slow or timid.

DISMISSAL is the next level. This is where a hound actively tries to interrupt the course of either one or both of the other hounds in that course.

What is interference? It occurs when a hound is trying to knock another hound off the course or intimidate it by body checking. It is actively preventing another hound from being caught by its handler after the course is over.

One thing everyone must be aware of when it comes to body checking is when and where on a course this occurs. At times at the beginning of a course, the hounds may jockey for position and bumping will happen because each one wants to be in their preferred position which does not always happen with random draws. This usually occurs within the first 30 yards of the lead out.

When the hounds have gone some distance and one then moves over and slams into another hound or is in the lead and slows down to bump another hound, this is interference.

Sometimes on corners, hounds are not paying attention to their position and will bump into another hound in the course. Usually there is no head or body interaction prior to this occurrence. This is not viewed as interference. But when a hound slows at a corner, overshoots, or undershoots the corner and changes its angle which then bumps another hound off the lure or its path, it can be viewed as interference. This will usually occur more than once during a course.

Judges must be careful in this situation to avoid trying to read possible intent into any of the hound's actions. We cannot read the hound's "mind" in these situations. Accidents do happen on the field and should be viewed within the context of the entire course.

A dismissal does not prevent a hound from participating in further events., however two dismissals within six trials constitute a disqualification. Dismissals are expunged from a hound's record upon completion of six trials with competition and qualifying scores and no further detrimental actions by the hound.

DISQUALIFICATION is the most severe discipline. It is used when one hound aggressively attacks another hound anytime during or at the end of the course. Usually this involves actual biting of the other hound and not just bumping or jousting.

The huntmaster is very crucial at the end of courses in this regard. A judge's view may be hampered by handlers retrieving their hounds and any aggressive behavior towards another hound may not be clearly seen by the judge.

The huntmaster needs to know the difference between hounds going after the same lure and a hound aggressively pursuing another hound. If the judge(s) are not certain what happened, they should call the huntmaster, asking for an unbiased review of what the huntmaster saw, being careful about not leading the huntmaster's statement.

A disqualification prohibits a hound from running in competition with other dogs in further events unless or until it is reinstated. Disqualification requires retraining and the steps to be taken to reinstate the hound are defined in Chapter VIII of the running rules. -Greg Breitbach

A Dean Wright has decades of experience on the field as a handler, huntmaster, lure operator, and judge. He is a Past President of ASFA. Dean has written many articles on ASFA and lure coursing. Dean has written for us previously on this subject in the past and reprises some previously published comments here.

ASFA recognizes three levels of interference between hounds running a course. These are: Innocently following another hound; actively interfering in another hound's pursuit of the lure; and attacking a hound during a course. The following are my personal comments and conclusions about these situations.

TROUBLE

To Excuse – An excusal is the mildest of ASFA consequences for hounds that interact with each other during a course. The hound at fault follows the other hound into every turn, rather than following the lure.

This kind of tag-along following happens often if a new hound is not slipped quickly on the "Tally Ho" and is behind a leading hound. This novice hound never sees the lure and relies on the other hound to lead the chase.

Sometimes, when approaching a corner, the leading hound cuts the corner and overruns the string. When that happens, the lure operator may well be able to let the inexperienced hound see the lure. Hopefully this will get the new hound back on the lure. The judge may or may not stop the course.

An Excused hound may not return to the trial that day.

To Dismiss – A Dismissal is the middle-level of consequences for interaction between dogs in a course. In this case, the hound at fault is not only following the other hound but catches the other hound and intentionally interferes with the hound that is following the lure’s course. It may be playful or aggressive, but in any case it spoils the other hound’s run.

A Dismissed hound will run under the shadow of Dismissal for five additional trials. He or she must run five trials without interfering. A second dismissal within five trials results in an automatic Disqualification. When a hound is working off a Dismissal, this must be indicated on the entry form.

To Disqualify – A Disqualification is the most serious of the consequences ASFA assigns to dogs interacting during a course. “A hound shall be Disqualified...for the following reason: fighting – the aggressor in fighting in the field.” The hound at fault aggressively chases after the hound following the lure and starts fighting. If the hound that was attacked retaliates in self-defense that is not their fault and he or she is not penalized.

A Disqualified hound has lost the privilege to compete. See the ASFA Rule Book, Chapter VIII, Section 7 for reinstatement procedures.

TRAINING

After writing about consequences, I realize I need to write something on training your hound to prepare for their First Field Trial.

One of the worst things that can happen to a sighthound is to be entered in a trial with no previous practice. Every hound needs to run alone when practicing for the first several times. Once a new hound is keenly focused on the lure, we should also practice with a seasoned hound to run with this hound for the first time. When the new hound has passed these markers, he or she can earn the ASFA Certification of Eligibility.

The Hanover clubs, and many other ASFA clubs, hold practice sessions after the completion of the first day of a trial series. Many club members enjoy practice and are ready to help novice hounds and handlers get started.

One useful tip is to practice the start. Arrange with your friends and the practice crew to have a double “Tally Ho.” At the first “Tally Ho” you slip your newbie immediately, the huntmaster cries “Tally Ho” again and the second hound is released. This exercise allows the inexperienced dog to have a clear sight of the lure even when he or she is not alone at the start.

If there is any question about whether the new hound chased the lure or the other hound, keep practicing. The best practices for this issue are not by themselves. Too much running alone sometimes makes the hound possessive of the lure.

The Singles stake is also a useful way to let new dogs become familiar with field trials.

SOME RANDOM THOUGHTS ON TRAINING A PUPPY

6 weeks – Play with lure toy. A fishing pole with garbage bag attached. Let puppies chase as you pull it along the ground. Both in groups and as single puppies one at a time.

3 months – Take your pup to a trial or trials. Let him or her listen to noises and other people as well as the lure machine. Let puppies watch the lure especially as it goes through the machine and back out to start again. It's pretty exciting!

6 months – Take them to a trial and let him or her run a straightaway, with the crew reversing the wheel and so the pup can chase back to the start.

9 months – Take them to a trial and do a couple of turns, reverse and bring them back to the starting spot.

11 months – Take them to a trial and let run the entire course alone so it does not add the stress of trying to beat another dog.

12 months – Try a run with another hound, preferably an older hound that the pup knows. This experienced hound must be 110% on the lure.

12 months – Do a Certification run. – Dean Wright

Willow

Willow is a rescue from Oklahoma with a need for speed. A friend introduced us to lure coursing last spring. Willow's success shows how much she loves to chase the bunny. She has won her LCI stake at every trial she entered, including the Region 5 Invitational. I am grateful for the many friendly people who have helped us, and for the human and dog friends we have gained along the way. I am so proud of my strong and confident girl and thankful for all the opportunities she has to show her unique self. I can't wait to see what 2024 has in store for Willow and her sporting adventures.

Best in Region - Borzoi "Sunny" with (left to right) BIE judge an Heidel, BIE handler Tom Golcher, and BIE lure operator Phil Fullam

The Region 3 Invitational was hosted by Lobo Lure Coursing Club on November 12th, 2023, in Estancia, New Mexico on a big, wide-open pivot irrigation field. The weather was terrific for lure coursing, starting out below freezing before roll call, but warming to just above 60 degrees by the end of the day. The field provided opportunities – no sightlines, no fences, and lots of space – and challenges, with stubble, trenches following the path of the irrigation sprinkler, and gopher holes (mostly filled in by volunteers before the trial began).

The 26 hound entry showcased seven Breed Stakes and Singles Stake. Judges Tom Golcher, Dan Heidel, and Robert Place sorted the dogs with the Best of Breeds and High Scoring Single as follows:

Breed or Stake	Call Name	Registered Name	Owner
Afghan	Luka	Lazul of Synergon FCh	M O'Neill
Borzoi	Sunny	Kinobi Zoiboyz Q Are My Sunshine	K C Thompson / R Peters-Campbell
Greyhound	Rhythm	Halfmoon Blue Moves	C Sisson / H Minnich
Irish	Emma	Loyalty's Poems Prayers & Promises Of Maloma	T & L Luty
Wolfhound	Twiggy	GCh Nefer-Temu Kr'msun Slinky Showstopper	H & D Bakko / E Kerridge
Pharaoh Hound	Penny	Sana's Provenance Regaine By Courage	V Lindsay
Rhodesian Ridgeback	Syan	FC Syan So Smooth Of Doha FCh SC	M Bisbee
Singles	Neeva	Zoiboyz Neeva	D Ross

The Afghan, Borzoi, Greyhound, Irish Wolfhound, Pharoah Hound, and Saluki moved on the compete for Best in Regional. In the end, Tom Golcher and KC Thompson's hot running Open Borzoi "Sunny" was the unanimous winner of the day, which put Sunny just ONE point shy of his Field Championship!

The Beth Ann Gordon Trophy

The LLCC fall trial weekend also marks the annual awarding of the Beth Anne Gordon Memorial Trophy (BAG Trophy). Beth Anne was the long-time Field Trial Secretary for ASFA trials in New Mexico. She was well known across the Southwest for her Greyhounds that competed in the breed ring, on the lure coursing field, and in open field coursing.

The BAG trophy is awarded to the high scoring dog over both days of the LLCC fall trial weekend, with the judges scores normalized to adjust for each judge's average score. Twenty dogs were eligible for the BAG Trophy this year. The cumulative scores ranged from 20 points below the judges' average to 16 points above. Pharaoh Hound "Twiggy", winner of Best in Field on Saturday, ended the weekend at 15 points above the average, but the Best in Regional winner Borzoi "Sunny" edged her out at 16 points above for the win!

Congratulations to all and especially to Sunny for sweeping the Sunday wins! -- Cindy Sisson, LLCC Field Trial Secretary

Highlights from the 40th Running of the Allegheny Derby

by Cathy Sanderson

The 40th running of the Allegheny Derby, hosted by the Tri-State Sighthound Club (TSSC), took place on December 2nd and 3rd, 2023, at Austintown Township Park. The weather and location could not have been better. This was especially appreciated by those who attended last year's event. In 2022 there was a field change and terrible weather which combined to force the event to conclude before awarding an Allegheny Derby winner.

This year, the event bounced back nicely with the new location – a vibrant community park near Canfield, Ohio. The park buzzed with recreational activities. Sure, we had to wait for a few frisbee golfers to play through, but that was a small price to pay for the cozy stone picnic pavilion, complete with a roaring fire, that served as home base.

TSSC and Dan O'Neil generously had local pizza brought in. The pizza was the perfect fuel for the participants. For those who remember the freezing weather from last year, the warming fire in the pavilion was a total contrast. On Sunday, John Antonik heated up leftover pizza over the fire, which made it even better – crispy with a hint of smokiness. A delightful surprise for all pizza enthusiasts!

The “Allegheny Derby Trophy” is a majestic wall-mounted prize donated by Dave & Linda Book in memory of Windhound’s Lily, C.D. (1977 - 1984). The Best of Breed winners from both days were eligible to compete for the Allegheny Derby Trophy. The judging panel included trial judges Karen Frederick, and Don White, both from Ohio, and Cathy Sanderson from New Liskeard Ontario.

A trophy for the top Whippet, the “Pumpkin Memorial Trophy”, is also awarded. The trophy was donated by Carolyn & Greg Mountan in memory of Wistwind’s Morning Glory, CD, LCM, ROMX aka “Pumpkin” (1979 - 1996).

With two fantastic trophies up for grabs, seven Best of Breed winners from both days competed in 3 spectacular courses. The competitors were:

Ibizan Hound	Halo	Kamars God Speed, LCM2	C Antonik / K Belz
Pharaoh Hound	Roseanna	Ch Mia Bakhu Roseann Roseanna Danna For Kummiedja, FCh	Wille / Haig / Newman / Longlesson Knl
Pharaoh Hound	JR	Kumia Hallam Johnny Rose At The Rosebud	M Wille / D Carota
Rhodesian Ridgeback	Jinx	DC Imarika's Fashionably Late LCM6, MC, CKC FCh & NC, LCX	G & P Kytta II
Rhodesian Ridgeback	Tomi Tutone	Anjari's Sunshine Of Africa	J & A Hilton
Whippet	Celine	Labyrinth Celine	L Pirrung / D McCann
Whippet	Ember	J & R Hel Pfyre & Dam Natn	J Lowther

The challenging hills, course layout, and outstanding lure operation brought out the best in the dogs. The judges had a lot to consider before deciding on the trophy winners.

In the end, the winner of the Pumpkin Memorial Trophy was Open Whippet “Ember”. The winner of the Allegheny Derby Trophy was also Open Whippet “Ember”.

A heartfelt Thank You goes to TSSC and the Field Committee for orchestrating a first-class special field trial. Special mention to Field Trial Chair Tom Cigolle, Field Trial Secretary Meredith Wille, Club President Ping Pirrung, and Judges Karen Frederick and Don White. And a “tip of the hat” to Dan O’Neil and John Antonik for their exceptional contributions to making this event a howling success! -- Cathy Sanderson
